## **Externship Program**

**Duration: 4 weeks**

**Fee: \$3000.00**

### **Opportunities for Externs include:**

- Four-week experience of U.S. healthcare functioning office
- Patient history assessment
- Case presentation
- Charting/SOAP note taking
- Participation in office procedures under the supervision of attending physician
- Perform EKG, spirometry, and vaccinations
- Research and present a weekly clinical presentation (2-3 minutes)

At the completion, a letter of recommendation that reflects the above experience and any other strengths the extern may have or acquired during the externship will be written.

### **Additional Information:**

- Participants are expected to provide their own lodging, transportation and meals.
- Clinical hours are 8am – 1pm and 2pm-5pm, Monday, Tuesday, Thursday and Friday. The extern will have no clinical responsibilities on Wednesdays or weekends/holidays.
- Externs are expected to be in clinic the equivalent of 2 days per week.
- Attire is business casual. Participants should bring a medical white coat and stethoscope.
- Applications may be emailed, faxed or mailed. Interviews will be conducted by phone or on-site at clinic and last about 30 minutes. On-site interviews include a tour of the office.
- Price of externship is subject to change without notice.
- A deposit of \$500 will be requested to reserve your position once you are accepted. The deposit will be refunded only if we are unable to provide the externship experience.
